MITC banking details for student account payments and registration down-payments

Bank:	FNB Bank
Branch:	62 Marshal Street, JHB
Branch code:	051000
Account name:	MITC Student Deposit
Account no:	06 098 0987
Reference:	Your Student
FAX payment receipt:	Number(Important) 086 538 0382

Bank payments do NOT reflect immediately on your student account. Allow 4 working days for processing thereof. Future dated payments are not acceptable. Proof of internet payments must indicate immediate payment and that the transaction was successfully processed. Registration will only be cleared after the payment reflects on the student account!
In the event of a query kindly ensure that you have a copy of the direct deposit/internet payment in your possession

Student Accounts Guide

The 2015 Student Accounts Guide contains all the rules and regulations pertaining to student fees and will be distributed to students at registration.

For students registering on-line, the guide is available on the MITC Training Academy website at address:

<http://www.mitc.co.za/downloads/studyguide2015>

Important

Only payments made at MITC Facility and the MITC website <https://paymentsgateway.mitc.ac.za/PaymentOption.aspx> credit card payments reflect immediately on your student account.

Due to the recess the MITC will not be processing payments made via the MITC's bank account between 18 December 2014 and 07 January 2015
MITC cashiers will open for student account payments on 08 January 2015

REGISTRATION Down-payments must be paid at least 4 days prior to registration
